propagandist rehetoric and empty public relation gimmicks of this nature, in their futile bid to deflect internaitonal focus from Pakistan's ongoing sponsorship of cross border terrorism in India.

(b) and (c) No, Sir. Pakistan's negative and hostile approach towards India remains completely unchanged. During a public address on 5th February 2002, the President of Pakistan stated that *"the Indian Position that Kashmir is an integral part of India is untenable and therefore unacceptable"*. He also emphasized that the issue of Jammu and Kashmir remained central to India-Pakistan relations. It is also quite evident that despite its positive assurances to the international community to end the use of terrorism as an instrument of state policy, Pakistan is unwilling to take effective and irreversible steps to end its sponsorship of cross border terrorism in India.

The State of Jammu & Kashmir is, and will remain, an integral part of India. A part of the territory of the State is under the forcible and illegal occupation of Pakistan. Government are firmly resolved to take all necessary steps to preserve the security and territorial integrity of the country.

(d) if so, the details thereof?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI JASWANT SINGH): (a) Yes, sir.

(b) The passport fee was last revised in July 1993. The rising cost of issue of passports, the present and projected cost of modernisation of offices, computerisation of processes, construction and renting of new and modern office premises and for reimbursing the cost to the State Governments for accepting and scrutinising passport applications as well as the cost involved in police verification are the primary reasons for the increase in passport fee.
